

# ABBAYE DE LEINGOUST

---

With origins dating back to the 15th century, the historic Leingoust Abbey continued to house monks up until the end of the 19th century. This unspoilt environment is bordered by the Aude River and the Canal du Midi. The range of terroirs allow the creation of unique generous, and complex wines.

## Abbaye de Leingoust

With origins dating back to the 15th century, the historic Leingoust Abbey continued to house monks up until the end of the 19th century

### The Aude River and the Canal du Midi

This unspoilt environment is bordered by the Aude River and the Canal du Midi. The range of terroirs allow the creation of unique generous, and complex wines.

### Expressing the Terroir

The grape varieties that make up the vintages of the Abbaye de Leingoust are grown and vinified with a minimum use of additives.
