## Olivier de Montrabech Rosé, IGP Pays d'Oc, Rosé

### LOCATION

Located in the Languedoc, the historic Chateau de Sérème has origins dating back to the Gallo-Roman period. The Domaine is nestled in a preserved natural environment, bordered by the Aude river and the Canal du Midi, and at the junction of two appellations: Corbières and Minervois. Its remarkable range of terroirs allows for the elaboration of unique, full, and complex wines.
